SENTINEL HCND

The Sentinel™ HCND (High Capacity Note Dispenser) is the fastest and largest flat note dispenser in the Tidel Sentinel product line. Sentinel has been designed to further reduce the risk of internal theft, streamline in-store management time, and create greater efficiencies in store operations, thereby improving overall customer service.

For more than a quarter century, Tidel has been the recognized leader in the manufacture of retail cash security systems. With over 300,000 systems shipped, major retailers throughout the world have turned to Tidel to provide solutions to their cash handling needs.

The Sentinel family of Cash Management Systems is designed with flexibility and efficiency in mind. The Sentinel can operate either on a stand alone basis or installed as a node on your existing network, and its Windows based software provides secure, 2-way communication between the Sentinel and POS or Sentinel and Corporate Offices. The networked Sentinel system allows users to view and download transactional data or reports, download software enhancements and transfer status indicators or data logs. Tidel's software also provides the unique ability to electronically "command and control" the operation of the Sentinel through the POS terminal, providing full accountability and effectively closing the cash management loop.

SPECIFICATIONS:

3 High HCND:

Weight: 350 lbs. (159 kg) HCND only
Height: 30.75" (781 mm)
Width: 15" (381 mm) 3 High HCND only
26.25" (667 mm) with Single SCD
29.5" (749 mm) with Dual SCD
Depth: 20" (508 mm) vault only
25" (635 mm) overall

4 High HCND:

Weight: 420 lbs. (191 kg) HCND only
Height: 37.13" (943 mm)
Width: 15" (381 mm) 4 High HCND only
26.25" (667 mm) with Single SCD
29.5" (749 mm) with Dual SCD
Depth: 20" (508 mm) vault only
25" (635 mm) overall

Power Requirements:
120 VAC 60Hz or 220 VAC 50Hz

HARDWARE FEATURES:

- Supports 3 or 4 cassettes
- Each cassette has 1,700 to 1,900 note capacity
- Maximum capacity of 7,200 notes
