Tidel S4 Narrow Side Vault

The Narrow Side Vault, when deployed with the Tidel S4, is an ideal solution for retail organizations that require a proven cash management system accompanied by a dedicated vault for additional storage.

The Tidel S4 Narrow Side Vault can be used for the store's change fund, coin dispensing cartridges, or other items such as lottery tickets.

The Tidel S4 Narrow Side Vault offers two shelves that can be configured to a store's individual needs. The Tidel S4 Narrow Side Vault door can only be opened by preauthorized store personnel via individual user PIN. An audible alarm sounds if a door is left open longer than a programmable time period.

The Tidel S4 Narrow Side Vault also provides a manual vault drop below the acceptor door, offering additional storage.
