Tidel S4e +
C2000
Coin Recycler

Tidel S4e +
C2000
Coin Recycler

When paired with a Tidel S4e smart safe, the Tidel C2000 coin recycler offers high speed automated coin recycling for transaction-heavy cash businesses.

Capable of processing up to 500 coins per minute while supporting 4 coin denominations, the Tidel C2000 offers the performance required to automate a high volume, transaction-heavy cash room environment, while enabling greater accuracy and accountability for all cash transactions.

The combined solution of a Tidel S4e + C2000 provides retailers with a turnkey note deposit and coin recycling solution that offers the performance needed to automate cash transactions at scale. Completely network capable, the Tidel C2000 is controlled and managed by the Tidel S4e software interface, which offers a convenient way for store personnel to conduct their cash transactions from one, easy to use console.
